

Employer: Philhaven
Position: Certified Peer Specialist
Location: Lebanon, PA
Full- or part-time: Part-time

Job Summary:

The Peer Specialist has experience as a recipient of mental health services and is willing to use and share his/her personal, practical experience and first-hand knowledge to the team and ACT clients. The Peer Specialist is a fully integrated team member providing expertise about the recovery process, symptom management, and the persistence required by clients to have a satisfying life.

MINIMUM KNOWLEDGE, SKILLS, AND ABILITIES:

1.	Work requires a level of knowledge of patient care assessment, treatment planning, and behavioral interventions at a level normally acquired through personal knowledge and experience of a mental health condition. Child Abuse and Criminal Clearance required.
2.	Requires a comprehensive understanding of Policies and Procedures, systems and equipment, and management skills, as well as the experience-based knowledge necessary to perform professional work. This level of knowledge is usually acquired in two to two years of work experience.
3	A high level of interpersonal skill is required when providing therapeutic interventions and counseling on sensitive client matters.
4.	Work requires the analytical ability to resolve complex coordination problems that require the use of considerable judgment and a professional level of knowledge.
5.	Knowledge of and ability in the care and handling of clients in at least the adult and older adult age groups.
6.	TCI Training with demonstrated expertise in the use of TCI skills.
7.	Requires a Pennsylvania State license to operate a motor vehicle. This position will require use of your personal vehicle to travel to and from appointments in the community and at times may include consumer transportation.
8.	Ability to be certificated as a Peer Support Specialist.
